

Abdulla Saif AlHathboor

Board Member

Emirates Institute for Banking and Financial Studies

Abdulla Saif Obaid AlHathboor, born on 1st June, 1956, married, having five children. I am proud to state that I am a qualified business entrepreneur, a Graduate holding Bachelor's Degree in Business Administration & Accounting through University of United Arab Emirates, Al Ain in February, 1982.

The Chairman/Managing Director and Shareholder of Al Hathboor Group L.L.C. since the formation of the Group in 1982. Since then, with sharp business acumen and keen insight the Group has now expanded, having twenty divisions and an organizational staff strength of approx 700 employees.

I am also the Shareholder and Board member of M/s. Bestfood Company and M/s. Al Jadeed/Dubai Automatic Bakeries.

Possessing the expertise in the fields of Oil and Gas, Construction, and Electro-mechanical verticals, I am a devout believer in diversified activities, brand management and promotion, operational efficiency and business development.

With strong determination and expertise, my brothers and I have shaped the Real Estate and Construction scenario in Dubai which has contributed positively in turning Al Hathboor Real Estate into a flagship company!

Besides my daily activities at Al Hathboor Group, I am a member of advisory board of Directors at Commercial Bank of Dubai since the 80's and since February, 2008 I am the active Board Director, shouldering responsibilities as the Executive Committee Director, Chairman of Remuneration Committee and Chairman of Al Tijari Property Committee and Board Committee member for Credit Risk & Investment at Commercial Bank of Dubai.

Board Member at Emirates Institute of Banking & Finance Studies, U.A.E. I am actively involved in the sports arena e.g. UAE Basketball association, Al Nasr Club and other clubs. Blessed with a charitable family background, I continue our family tradition of charitable support in association with public causes especially during the Holy Month of Ramadan to various societies In United Arab Emirates and the United States of America.
