PRIFYSGOL
BANGOR
UNIVERSITY

Program Objectives

01 to provide students with a firm foundation of knowledge in banking and finance to introduce students to accounting, economics (both micro and macro), and business financing

02 to broaden the students' understanding of the global financial and banking institutions to develop students' skills in quantitative analysis, financial accounting, and other specialized and related areas such as e-banking

03 to upgrade the students' knowledge in general education areas such as English, Math, Statistics and Applied Sciences, in addition to enhancing their ability to practice successfully in the UAE, and Gulf business environment

04 to enable students to apply their theoretical knowledge and learning at the practical level

05 to enhance the students' standing in the competitive job market in the banking and finance industry and increase their employability in an expanding industry in order to achieve the objectives of the Emiratization policy

Duration

The program runs five days per week, Sunday to Thursday-Morning and Evening sessions for eight (8) theoretical semesters (16 weeks each), and three (3) summer terms (8 weeks), which involves presenting the project report of supervised internship.
